

# 6693 Tapley Place, Whistler

\$11,880,000

"Serenity" in Whistler. Nestled in a quiet cul-de-sac is this incredibly 5900 sqft custom-built timeless construction with the best craftsmanship & finest quality materials. A 2/3 acre private flat lot with a manicured yard & gardens of a profusion of flowers in summer. The house is well-designed with amazing details. The main living area is both intimate & opulent, centered on a two-story masonry wood-burning fireplace faced in natural Basalt. South-facing floor-to-ceiling windows flood the home with abundant natural light. Centered on the living and dining area, the main floor has a kitchen & family area in the east wing and an office and entertainment area in the east wing, and an office and entertainment area in the west. 5 bedrooms plus a huge kid's playroom makes this a dream home.
