

2266 Brandywine Way, Whistler

\$2,750,000

Magnificent views and a spacious layout make this home an ideal permanent or vacation residence. The living, kitchen and bathrooms have been completely renovated. The master bedroom has a full ensuite with freestanding soaker tub, private deck and spacious walk-in closet. Front & rear decks bring the best sights and sounds of Whistler to your door - enjoy the views of Alpha Lake and mountains out front or the peaceful natural greenbelt forest out back. The rear deck leads to a covered outdoor hot tub. There is a self-contained, renovated 1 bedroom, full bathroom suite that has it's own ensuite laundry. While separate and a great mortgage helper, the suite could be easily incorporated into the main house making the house a 4 bedroom, 4 bathroom home.
