

5408 Stonebridge Drive, Whistler

\$5,995,000

Located on a sun-drenched site, the 6.5-acre mountain homesite offers views that span Whistler and Blackcomb Mountains and the imposing Northern Ranges, enjoyed against the backdrop of the tranquil sounds of Gebhart Creek. Rising above the western side of the valley, the exclusive Stonebridge neighbourhood includes some of Whistler's most desirable properties across 290 acres, where access to an extensive network of hiking and biking trails is on your doorstep. A generous building envelope offers boundless potential, while the build-ready site will allow you to realize your dream that bit quicker.
