\$1,075,000

This RARELY available, ONE-OF-A-KIND LADNER PENTHOUSE spans the 5th and 6th floors, offering townhouse-style living in the fully renovated, rain-screened Ladner Pointe—one of the area's only concrete buildings! Bright and airy, this corner unit boasts 1639 sq ft with soaring 16-ft vaulted ceilings, two balconies, and stunning Mt. Baker views. The versatile 2nd level, with its private entrance and no stairs required, offers endless possibilities, such as a guest suite, home office, or multi-generational living. Featuring a primary suite and family room on each level, this home is both functional and beautiful. Close to Starbucks, Save-On, and more, enjoy the convenience of walking to shops, dining, and parks. The building offers a private yard for pets and kids, plus a gym and amenities room
