Custom-Built Home with Two Mortgage Helper Suites Discover this stunning 2017 custom-built home that combines thoughtful design with incredible functionality. The main home offers 5 bedrooms and 3 bathrooms, including a spacious and open-concept main floor with a walk-out fenced yard, perfect for family living. The upper level features 3 bedrooms, a convenient laundry room, and a generous primary suite with a walk-in closet, heated floors, double sinks, and a full ensuite. A large 4th bedroom is just off the main living area, while a 5th bedroom is located on the lower level for added flexibility. The kitchen is a chef's dream, boasting stainless steel appliances, quartz countertops, and a cozy gas fireplace, ideal for entertaining. A heat pump ensures efficient heating and cooling year-round. This home also includes two self-contained suites: a 2-bedroom, 2-bathroom unit with its own laundry, heated floors, and a 200 sq. ft. recreation room, and a 1-bedroom, 1-bathroom suite, perfect for extended family or as mortgage helpers. Set on the quiet side of the street with a serene forested backdrop, this property offers parking for 6+ vehicles and a layout that balances luxury with practicality. Built with meticulous attention to detail for the developer's daughter, this home is truly one-of-a-kind. (id:56120)
