Rarely available renovated rancher in Walnut Grove! Age in place comfortably knowing all the big ticket items have been taken care of (roof, windows, exterior doors, siding, fence, newer electrical and plumbing including hot water on demand). The kitchen is a chef's dream w/ plenty of cupboards, gas range, gorgeous quartz counters, a sleek Subway tile backsplash, built-in coffee bar, & direct access to the covered outdoor dining area (new Trex deck, and awning 2021). The private corner lot also has a dry well-maintained shed for additional storage. This home is SPOTLESS inside and out. Freshly painted w/ updated flooring, bathroom, built-ins around the gas fireplace in living room & built-in workspace in the office, this was a thoughtful reno. Don't wait. Home is where your Storey begins!
