

3584 Rockview Place, West Vancouver

\$5,780,000

Designed by renowned architect Arthur Erickson, this exceptional Westmount home offers city and water views and complete privacy. Meticulously renovated, it blends architectural elegance with contemporary design. The main floor features an open layout with spacious living and dining areas, a custom Poggenpohl kitchen, butler kitchen, dining area, and a sunken library. Five bedrooms, including a luxurious primary suite with a spa-like ensuite and private office, complete the living spaces. The lower level includes a walk-out media room, home gym, and ample storage. Additional features: 400 AMP service, TESLA Powerwall, Lutron blinds, home automation, AC, and water filtration. Just minutes from West Bay Elementary, Dundarave Village, and the beach—an incredible opportunity!
